

# 30<sup>th</sup> Baltic Valuation Conference

Potsdam, Germany, June 11<sup>th</sup>-13<sup>th</sup>, 2020

Bundesverband öffentlich bestellter und vereidigter sowie qualifizierter Sachverständiger e.V. – BVS and Hochschule Wismar, Department of Civil Engineering, have the honour of inviting you to the historic town of Potsdam, Germany, for the 30<sup>th</sup> Baltic Valuation Conference.

The Baltic Valuation Conference is a non-formal meeting of valuers of countries around the Baltic Sea. It does not only offer an informative exchange of experience and methods, but provides also personal contact to colleagues in other countries.

The tradition of the conference is that the conference participants present cases and/or experiences from their profession, thus showing national solutions and problems of valuation.

The conference is driven by individual effort and interest – keep it going!

You can soon register as participant or speaker and share your experiences. Forwarding the invitation to other valuers is very welcome.

More information and the formula for registration is available on

[www.baltic-valuation-conference.org](http://www.baltic-valuation-conference.org)

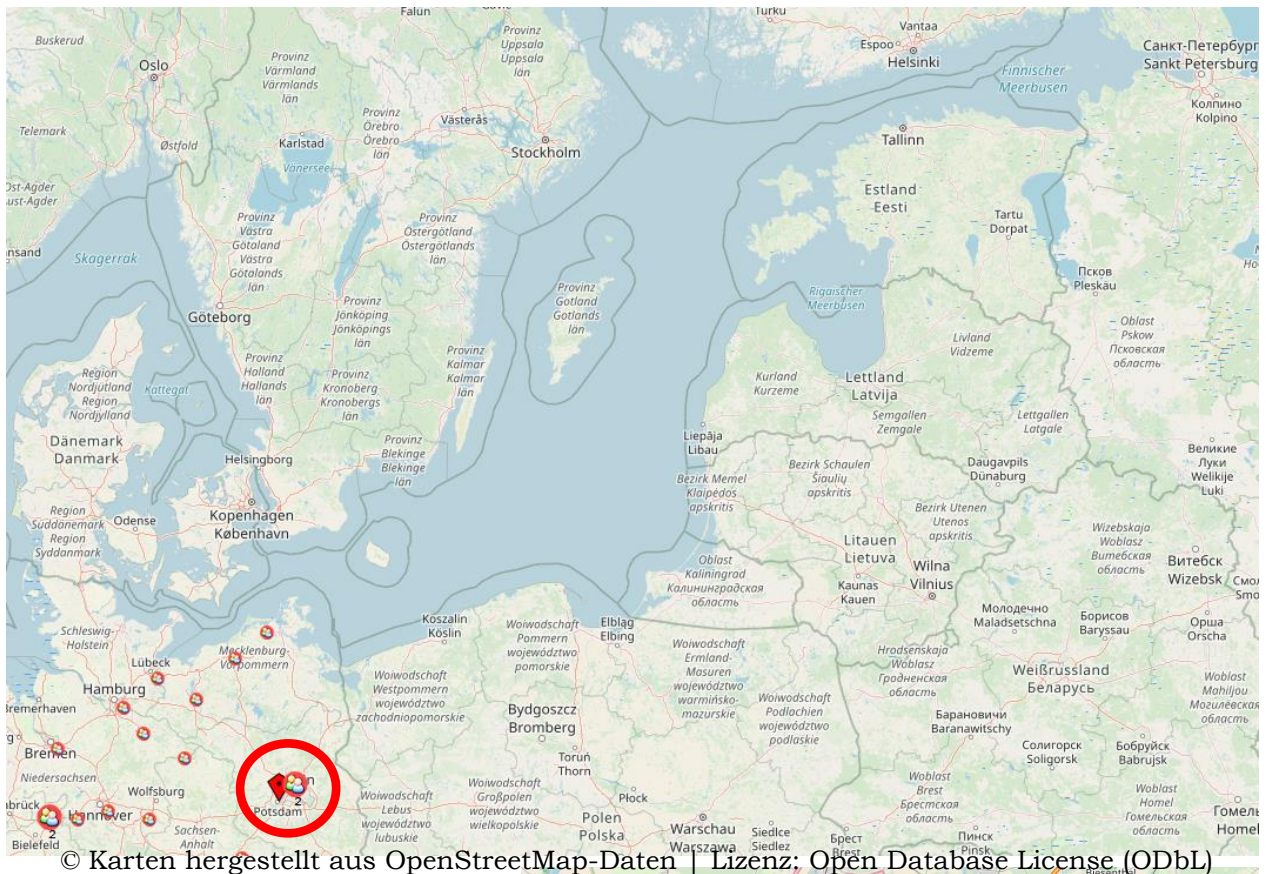

(registration possible from March 15<sup>th</sup>, 2020)

## Topics of the BVC 2020:

- Valuation of a condominium with comparison method (data of condominium provided by host, valuation approach according to national usage incl. data from automated valuation or theories on valuation models).
- Rights and burdens on real estate and their influence on the value

Potsdam, Germany, June 11<sup>th</sup>-13<sup>th</sup>, 2020

Discovering Potsdam in summer means enjoying not only the historic city, but also parks, palaces and cosy street cafés. The river Havel allows lovely sights or boat trips, and the offers of public transportation or rental bikes is large so you can explore the city in every direction. For more discoveries Berlin is inviting you with another lot of museums, shops and history.
